Marquest Funds are offered by Marquest Asset Management Inc. and distributed through authorized dealers. This fund profile should be used only as a general source of information, and should not be considered a solicitation to buy or an offer to sell securities of the fund. Mutual fund choices should be evaluated relative to individual investment objectives. While information is accurate as at the date noted, holdings and asset mix will change. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all dividends and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. The rate of return or mathematical table shown is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the fund or returns on investment in the fund.
