The Short Term Income Fund (Corporate Class) is a series of shares of the Marquest Corporate Class Funds Ltd., a mutual fund corporation. Marquest Funds are offered by Marquest Asset Management Inc. and distributed through authorized dealers. This fund profile should be used only as a general source of information, and should not be considered a solicitation to buy or an offer to sell securities of the fund. Mutual fund choices should be evaluated relative to individual investment objectives. While information is accurate as at the date noted, holdings and asset mix will change. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual fund securities are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the fund will be able to maintain its net asset value per security at a constant amount or that the full amount of your investment in the fund will be returned to you. Past performance may not be repeated. The rate of return or mathematical table shown is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the fund or returns on investment in the fund.
