During 2018, the portfolio manager of the LP made a number of sales in the portfolio and reinvested a portion of the proceeds in additional flow through issues. These purchases will provide investors additional tax deductions for the 2018 tax year and therefore **generate tax refunds of approximately 6.4%** of the original investment*.

The ACB per unit of the Marquest Mining Québec 2017-I Super Flow-Through LP, based on the information available to us will be provided to you with your 2018 tax slips.

Investors who have not redeemed their holdings of the Mutual Fund Shares (or any shares of Marquest Mutual Funds Inc. that they hold as a result of a switch transaction in respect of the Mutual Fund Shares) resulting from the rollover transaction have deferred the potential tax liability of capital gains until they do so. Investors who have redeemed a portion or all of their holdings of the Mutual Fund Shares (including shares of Marquest Mutual Funds Inc. that they hold as a result of a switch transaction in respect of the Mutual Fund Shares) resulting from the rollover transaction should use the ACB per share that will be provided with the 2018 tax slips when determining their capital gains tax liability. Investors are urged to consult with their Investment Advisor and tax professionals.

Note: Limited partners will receive a T5013/RL15 for the 2018 taxation year early in 2019. Certain tax deductions will be available for the taxation years 2018 through to 2021.
