The subscription funds are refundable only in the circumstances described in the Offering Memorandum.
3. The offering and sale of the Units is being made pursuant to exemptions from the registration and prospectus requirements of applicable securities laws (the "Exemptions"). The Subscriber acknowledges and agrees that the Partnership will rely on the representations and warranties contained in this Subscription Agreement and all Appendixes attached hereto to determine the applicability of available Exemptions.
4. The Offering contemplated herein is not, and under no circumstances is to be construed as, a public offering of the Securities. The Offering is not being made, and this subscription does not constitute, an offer to sell or the solicitation of an offer to buy the Units in any jurisdiction where, or to any person to whom, it is unlawful to make such offer or solicitation.

7. The Partnership reserves the right to accept or reject any subscription in whole or in part. The Partnership shall have no liability whatsoever to any Subscriber in the event that any of the foregoing shall occur.
8. The Subscriber acknowledges and agrees that the Partnership may be required to provide applicable securities regulatory authorities with a list setting forth the identities of the beneficial purchasers of the Units. ### YOU ARE BUYING EXEMPT MARKET SECURITIES

They are called exempt market securities because two parts of securities law do not apply to them. If an issuer wants to sell exempt market securities to you:

- the issuer does not have to give you a prospectus (a document that describes the investment in detail and gives you some legal protections), and
- the securities do not have to be sold by an investment dealer registered with a securities regulatory authority or regulator

There are restrictions on your ability to resell exempt market securities. Exempt market securities are more risky than other securities.

### YOU WILL RECEIVE AN OFFERING MEMORANDUM

Read the offering memorandum carefully because it has important information about the issuer and its securities. Keep the offering memorandum because you have rights based on it. Talk to a lawyer for details about these rights.

### THE SECURITIES YOU ARE BUYING ARE NOT LISTED

The securities you are buying are not listed on any stock exchange, and they may never be listed. You may never be able to sell these securities.

### THE ISSUER OF YOUR SECURITIES IS A NON-REPORTING ISSUER

A non-reporting issuer does not have to publish financial information or notify the public of changes in its business. You will not receive ongoing information about this issuer.

For more information on the exempt market, call your local securities regulatory authority.
