HOW RISKY IS IT?

The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund’s returns change over time. This is called “volatility”.

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

Risk Rating

Marquest Asset Management Inc. has rated the volatility of this fund as **high**.

This rating is based on how much the fund’s returns have changed from year to year. It doesn’t tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

Low	Low to medium	Medium	Medium to high	High
-----	---------------	--------	----------------	------

For more information about the risk rating and specific risks that can affect the fund’s returns, see the *What are the risks of investing in a mutual fund?* section of the fund’s simplified prospectus.

No guarantees

Like most mutual funds, this fund doesn't have any guarantees. You may not get back the amount of money you invest.

This fund may not be suitable for investors with a short-term investment horizon

A WORD ABOUT TAX

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

HOW MUCH DOES IT COST?

The following tables show the fees and expenses you could pay to buy, own and sell Marquest Mutual Funds Inc. - Explorer Series Fund– Series A/Rollover shares of the fund. The fees and expenses – including any commissions – can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

1. Sales Charges

The table below shows the sales charge when you buy this series of the fund. Ask about the pros and cons of each option.

Sales Charge Option	What you pay		How it works
	in percent (%)	in dollars (\$)	
Initial Sales Charge	Nil on rollover 0-5% of the amount you buy on subsequent purchases	N/A \$0 to \$50 on every \$1,000 you buy	<ul style="list-style-type: none"> • You and your representative decide on the rate. • The initial sales charge is deducted from the amount you invest. It goes to your representative's firm as a commission.

2. Fund Expenses

You don't pay these expenses directly. They affect you because they reduce the fund's returns.

As of June 30, 2020, the series' expenses were 8.32% of its value. This equals \$83.20 for every \$1,000 invested.

	Annual rate (as a % of the fund's value)
Management Expense Ratio (MER) This is the total of the fund's management fee (including the trailing commission) and operating expenses.	7.23%
Trading Expense Ratio (TER) These are the fund's trading costs.	1.09%
Fund Expenses	8.32%

More about trailing commission

The trailing commission is an ongoing commission. It is paid for as long as you own the fund. It is for the services and advice that your representative and their firm provide to you.

Marquest Asset Management pays the trailing commission to your representative's firm. It is paid from the fund's management fee and is based on the value of your investment. The rate depends on the sales charge option you choose.

- **Initial sales charge trailing commission** – up to 0.50% of the value of your investment each year. This equals \$5.00 each year for every \$1,000 invested.

3. Other fees

You may have to pay other fees when you buy, hold, sell or switch shares of the fund.

Fee	What you pay
Short-term trading fee	2% of the value of shares you sell or switch within 90 days of buying them. This fee goes to the fund.
Redemption charges	2% of Net Asset Value, at the time of redemption, of the securities redeemed by you if you have held the securities for less than 90 days, unless your securities were received as part of a rollover from a flow-through limited partnership, in which case there will be no fee for redemption from the Series received upon the rollover.

WHAT IF I CHANGE MY MIND?

Under securities law in some provinces and territories, you have the right to:

- withdraw from an agreement to buy mutual funds within two business days after you receive a simplified prospectus or Fund Facts, or
- cancel your purchase within 48 hours after you receive confirmation of the purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, annual information form, Fund Facts or financial statements contain a misrepresentation. You must act within the time limit set by the securities law in your province or territory.
