MARQUEST MINING QUÉBEC 2021-I SUPER FLOW-THROUGH LIMITED PARTNERSHIP

Investment will be made in flow-through shares of resource companies involved in mineral exploration, development or production in Canada with a view to achieving capital appreciation and maximizing the tax benefit of an investment in the units.

The Partnership intends to focus on a diversified portfolio of companies in the intermediate and junior mineral sector with advanced exploration programs. The Partnership's investment strategy is to invest in flow-through shares issued by resource companies that are considered to:

- represent good value in relation to the market price of the resource company's shares;
- have experienced and capable senior management;
- have a strong exploration program in place; and
- offer potential for future growth.

100% MINING EXPOSURE

Portfolio is concentrated on mining companies and benefits from additional federal and provincial mineral exploration tax credits where applicable.

TAX-DEFERRED ROLLOVER

Dissolution is expected to occur no later than November 30, 2022; proceeds will be rolled over on a tax-deferred basis into a mutual fund.

EXCLUSIVELY LISTED INVESTMENTS

Investment in resource companies listed on the TSX, TSXV, CSE etc.; no investment in private companies.

MANAGEMENT FEE

A fee equal to 2% of the Net Asset Value of the Partnership, calculated and paid monthly in arrears to the Portfolio Manager/Investment Fund Manager for services performed under the Portfolio Management and Investment Fund Management Agreement.

PERFORMANCE BONUS

Performance bonus of 20% paid after investors have recouped their entire pre-tax investment.
