## FEATURE HOLDING: Sokoman Minerals Corp.

Sokoman is a gold exploration company with three strategically positioned properties in the Central Newfoundland Gold District along trend from the Marathon Gold Valentine Lake discovery which has a 4.2 M ounce resource.

The management team has extensive exploration experience in Newfoundland including direct responsibility for the discovery of the Valentine Lake gold deposit.

The company's major focus is the high-grade Moosehead Project on which they have completed 23,378 m of drilling. Assay results have been very encouraging, including the discovery of a high-grade zone that is open on all directions. The company is planning a 10,000 m drilling program to follow up on the results to date.

Sokoman has a market capitalization of \$25M and a strong balance sheet with \$2 M in cash and no debt.
